CHECKLISTS

General Report Comments: Upon arrival I met caregiver Maria who told me the dogs have been taken away by our people on Saturday. I then askthe details of the person who took the dogs and she phoned the second caregiver to ask. She was told the dogs were collected on Saturday just after 5pm by someone named Chris who work for us. I then told her that I don't recall remembering someone named Chris works for us. I then asked to see that the dogs are no longer on the property. Which she gave me access to do. Animals are no longer on their property.
