General Report Comments: Upon arrival I hooted and shouted at the property, but received no response. U then tried calling owner 2x on given number, but the phone rang straight to voice-mail. I observed the dog called Clyde is still tied up to a 2meter leash and still uses the car as shelter.

As i left the property I met a guy called Lorenzo Bailey with contact no.0695006712. He lives at house no. 13 Appelkoos street Delft south should be be able to log a case for our LE guys . He told me that the dog on this property had bitten him on the 20th of November 2024 at 12h20. That he tried laying a complaint at the police station, but they told him there is nothing they can do for him, but rather gave him a form to fill out and take to the doctor.

To follow-up.
