FINDINGS

:

Comments, if any:

Upon arrival I hooted and shouted at the property, but received no response. I then tried calling owner 2x on given number, but the phone rang straight to voice-mail. I then saw that the dog in question is no longer on the property and as I was leaving a little girl came from across the street and told me her mother is not home. I then asked her about the adult dog in question and was told he is no longer on the property. I then heard a dog barking and questioned her to which she responded the dog has been moved to that specific corner of the yard then she left.

I then contacted Supervisor Jason and as discussed I will follow-up tomorrow, but if no one is home case will be allocated to a qualified inspector.
