CHECKLISTS

General Report Comments: I called the owner of the dogs and he said he did not take the dogs to a veterinary clinic yet as he does not have the money to do so. He told me he is using car oil on them and I told him to stop doing that immediately as it will further irritate the skin.

He said he is willing to surrender two of the dogs and keep one. I explained that the dog he keeps must still be taken to a veterinary clinic within 48 hours and he agreed.

Unfortunately no one was home when I arrived and could not take the dogs. Will try and arrange to collect them tomorrow.

I left a notice on the gate stating.

1. As discussed telephonically, you agreed to surrender two of the dogs as you cannot afford treatment.
2. Take the remaining dog to a veterinary clinic within 48 hours and provide a veterinary report as well.
