Postal Code:	7782
Date:	2024-12-06

Inspector:	JASON PAGE

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2024-12-06
Comments:	After I reviewed the reports and photographs, I am of the view that this security company has no intention of complying with our warnings. I believe that the only way forward now would be to apply for a warrant and for the animals to be removed.
