General Report Comments: On my arrival, for the second time, I found no one at the property, I have observed the dog that was roaming freely inside the property, I am not sure if the shelter was provided to the dog as I was standing from the gate. I saw the water.

At approximately 17h52, I have tried to call the owner 2 times her cellphone went straight to voicemail.

I have tried to speak with the neighbor from No 42, I wanted her to let into her property in order to look over the fence, however the neighbor was not comfortable, and I won't be able to see from the neighbor at no 38, as there is flatlet that is blocking the view.

We need to come back to check
