CHECKLISTS

General Report Comments: On my arrival, i have met with a woman Washilah Solomons, after we have allowed me onto the property,

I wanted to know a about SL Solomons, who is the accused on this case, she replied by saying, it has a week now, Ishmael didn't come home, I did check the property with no luck.

I had to issue the second warning as follows.
1. SL Solomons who is using the wheelchair to walk, you must take the dog to the vet within 24 hours, we also need to see the dog in order to conduct the inspection on it.

Failure to comply with this warning might lead the SPCA to the further steps, it is an offense to conceal an animal

The warning was signed and accepted by Washillah, who promised to give to Ishmail Solomons.
