On my arrival, I met with Washilah, who allowed me onto the property, she told me her son Ishmael is at home, the she called him, he came out from one of the rooms.

She was filled by the dog in question, the dog appeared to have swelling around her private part, the requested me to assist him by taking the dog in for check up,

I tols him that, the dog will be also sterilized, although he was not happy buy he agreed, I spoke with Rudy who also agreed that we may bring the dog with green card.

On my arrival at the, the dog was examined by Dr Helen, who said, that was not a prolapse, it was just a swelling that normally happens when the dog is about to be heat, she said after sterilization the dog will fine. The dog might be taken home on Wednesday.
