Veterinary problems / health concerns: Yes ***

Upon inspection, Cadet Albertyn and I met with FRANCOIS. There are 2 dogs, 1 adult cat and 3 kitten on the property. All the animals were free roaming on the property. They had access to water and a clean living environment. They had access to adequate shelter. The cats and 1 dog appeared in a fair condition and good health. The dog in question appeared to be a bit underweight and had a growth on the left hind leg. He told us that he went to the mobile clinic about a month ago but couldn't afford treatment so he brought the dog back home and decided to surrender the dog for euthanasia.

We issued a notice to comply stating in future if he has a sick or injured animal, to provide the animal with adequate veterinary treatment immediately.
