General Report Comments: Upon my arrival at the property, i called out but got no response. I then phoned and spoke to Hadley. He told me that I must go the shacks on the field across from the house where I am and I will find the dog and onwer there. When I went to the field, I met witb the onwer of the dog named Nicoline Sias. The dog was free roaming with access to water, a clean living environment and adequate shelter in the form of the tent. The dog was injured by the neck area. She told me that the dog was stabbed but she don't know who did it. She decided to surrender the dog over for euthanasia.
