Comments, if any:

On my arrival, I have met with Zainap Dollie, SIshe allowed me onto the property, where I have observed the dog and a cat,

The dog is still appeared to have skin condition and he was not taken to the vet. ZAINAP claimed that her father is driving long distance, so doesn't have much time to take the dog.

I have advised the ZAINAP to surrender the dog over to SPCA, as it appeared as if they are struggling to maintain the dog, however the ZAINAP refused and said, she will take the dog to the vet.

The dog was still kept on the right side of the house, on the alleyway that could be 1.5 by 10 meters, The living environment was clean, there were no hazardous material that may cause unnecessary injuries to the dog, on the alleyway.

The cat appeared to be in a fair condition, there was water and there was food provided to the cat

The second warning was issued as follows.

- 1. To take the dog to the veterinarian for adequate treatment within 48 hours.
- 2. As an second option, the owner was give a chance to surrender the dog over to SPCA, however sje refused, that was noted on the warning book
