General Report Comments: I was accompanied by Law Enforcement officer Alexander , Abraham's and Alexander.
We have stopped at the property where we have observed the dog that appeared to be thin .

We were welcome by the neighbor, who gave us all the details of the owner, she also told us that the owner was at work, is working as a security guard.
The dog was chained up on a tethered with a rope that appeared to be short and not acceptable.

There was no , no water and there was no food, we gave the dog food and the dog ate the food without any hesitation.

The warning was issued as follows.

1. To provide the dog with adequate food on a daily basis.
2. To provide the dog with drinkable water at all times.
3. To place the dog on the running chain within 7 days

The was signed and accepted by neighbor Faeza Fisher, who promised me to hand it over as soon as the owner comes home.
