General Report Comments: On my arrival, I met with Arron Isaacs, who allowed me onto the property, I have observed the dogs that appeared to be in a fair condition, the living environment was clean and there was drinkable water provided to the dogs.

The shelter were fixed and appeared to be in a fair condition,
I have noticed that there were flies around the enclosure, I have told the owner to provide the dogs with fly control, as the flycatcher that were provided were not adequate.

I think we need to do a follow up inspection in two weeks.
