Veterinary problems / health concerns: No

On my arrival, I have met with the grand mother of Aqeel, who allowed me onto the property, I have observed the called Misty, who was still chained up with a short static chain , the dog appeared to be underweight, the shelter there was provided to the dog appeared to be broken at the back. There were 3 dogs that were roaming freely at the back of the house, the living environment was not clean, there was no dog food. The final warning was issued as follows.

1. To provide the dogs with adequate food on a daily.
 2. To provide the dogs with adequate shelter.
 3. To place the dog on a running chain
- all the above to be rectified within 5 days.
