General Report Comments: Upon my arrival at the property I met with the owner named leeroy who allowed me access.

I observed the cats and explained the concern, the owner told me no whoever it was that complained is talking nonsense the animals are not abandoned, he added he doesn't want to get rid of his cats, leeroy told me yes he did put the cats outside but that was for them to do there business as he wants them to learn to poop outside. I told him to get a litter box, all the cats appear to be fine, water and shelter is available and the living environment is clean.

I see no contraventions of the animals protection act 71 of 1962. NFA

Maggie to arrange for sterilization of the adult cat.
