Comments:	I called Elijah on 0849870255. He said they are no longer on this property and they are now in Haywood, Lansdowne. He keeps saying I must call after 30 minutes because he is busy and his wife is writing an exam. He said between 08:30 and 12:30 was for last week. I find this man very annoying, he can't dictate to us when we must come an inspection but he refused to give me his exact address and insisted I call back in 30 minutes. I will now attend to other cases but I feel this man needs to be informed that the SPCA is a statutory body and that we don't dance around his instructions. If someone from office can call hi., then great, if not, I will call him back later today when if I have a chance between cases. A follow up may need to be scheduled for tomorrow depending on how many cases I can attend today and once we have managed to get the new address.
