General Report Comments: Upon my arrival, I saw 3 cars with GP registrations, and none of them were the relevant Nissan. I rang the bell, and a man and woman came out. I explained why I was there, and they confirmed that they only returned recently to this address and that they didn't own a Nissan. Then then asked if it could be their previous tenant, Britt, who owned a dog. They are unsure if they remember correctly, but they think she had a Staffie X. The property is registered to the man, Gino Casieri, on 083 325 2063. Gino provided me with their previous tenant's details: Britt Larson on 072 294 9590. I think I will be able to issue Britt with an electronic warning over WhatsApp, or we need to trace her new address. Contact can be made with Britt from the office, and if it isn't Britt, we can call Gino for contact details of any of his other tenants. I can action this further on Monday as I will be in the office for an admin day.

ACTIONS

OTHER Correct owner of the relevant Nissan/ dog to be verified.

REPORT OUTCOMES
