Subject: Concern Regarding Chained Husky

Good afternoon,

I hope this message finds you well. I am writing to report a husky that has been kept chained at a property. From what I understand, the owners acquired the dog to deter thieves from stealing their electric gate motor. However, it appears the husky remains chained at all times.

While the dog does have access to a kennel and bowls within its restricted range, it seems to lack freedom of movement. Each time I walk past, the husky looks visibly depressed, which is deeply concerning.

The property is located at 16 Toeskouer Road, Belthorn Estate, Crawford, situated on the corner. I have attached photographs for reference. Although I believe the owners have good intentions, I feel this situation warrants attention.

Should you need to reach me for further details, my contact number is 061 147 3534.

Thank you for your time and understanding.

Kind regards,
Claire Kieffer-Walker
