I am seriously concerned for the wellbeing of the cats in our neighbourhood. This person has repeatedly chained cats, locked them in cages and does very evil cruel acts. He has also poisoned a neighbours cat. I believe an inspection needs to be done immediately to stop these barbaric acts. So many cats have gone missing from our street and I believe he is the culprit in it all. Please see photo evidence attached of his cat traps. Address; 37 driekoppen road, Edgemead
