Comments, if any:

Upon follow up accompanied by officer abrahams, Alexander and albertyn. We informed the owner regarding our visit and he allowed us to conduct an inspection.

The owner claimed that he does not have any snakes on the property anymore as he only had one which we confiscated. We went to all the rooms and checked but saw no snakes, we saw 2 snake enclosures but both were empty and nothing inside.

Outside the owner has a pitbull that is in good condition with access to shelter but no water. The dog was also on a static chain of 2m long whi h owner claimed he just chained dog as he was busy cleaning the property due to a pipe burst.

I gave him a warning stating that he should refrain from chaining the dog unnecessary and provide water at all times.

We will follow-up next week Thursday again to ensure dog is free roaming
