Comments:	INSPECTOR NOTE Complaint Reference No. INSP206762 CALL RECORD - MADE MAIN ROAD HANGBERG 7806 2024-12-03 13:43 RUDOLPH PHILANDER Comments: I called Jeremy to find out about this case and he informed me that the owner brought the dog named Ramos to their facility about a week and a half ago for treatment. According to Jeremy there was nothing unusual found on the dog. Jeremy said the dog is of such a breed that it is not unusual to be slim lined and not overweight. Jeremy is keeping an eye on the dog and he will have the dog sterilized in next year. It is fine for us to close this case as Jeremy said he will make contact should he require our help. NFA.
