Comments:	I called the owner and he said that a welfare organization collected his dog named frank last week. He said it was helderberg aws. I called helderberg aws and they have no record. I called the owner back and he gave me the number of someone called Heidi, which is 0744823644 and she said she also didn't fetch it and it may have been Gigi Roper and I tried calling her but she did not answer. I will try again tomorrow
