Type:	CASE NON-COMPLETION NOTE
Follow-Up Date:	2024-12-31
Comments:	I must sit with Rudi tomorrow and ask if Ingrid can email us the affidavits she collected for Marco . As discussed with Marco last week, i will then contact him or have the Docket Inspector contact him if he needs to redo his affidavit. Unfortunately he washed the blankets with the blood and so there was no evidence for me to collect last week. We need the affidavits to take further action.
