Animal/s in good condition: Yes
Veterinary problems / health concerns: No

On my arrival, I have met with a man who Introduced himself as Nur, he claimed to the owner of the dog.

He allowed me onto the property, where I have observed the German Shepherd dog appeared to be slightly underweight, the owner is feeding the dog with Benji Chunks, the dog was roaming freely inside the property.

There was food and there was drinkable water for the dog. However, I was not happy with the living environment, there were hazardous material that may cause unnecessary injuries to the dog and there were old faeces laying all over the property.

The warning was issued as follows.

1. To increase the amount of food that the owner give ro the dog .
2. To remove all the hazardous materials and to pick up the old faeces within 7 days.
