Please describe the concern you have
Morning,

There is a guy living on the street with a Labrador cross. The dog is kept on a very short leash and always being pulled. I have given the dog food many times and it is always ravenous. I have offered to buy the dog from him several times but he refuses and says the dog buys him sympathy. Please help this animal it is breaking my heart. He is currently lying on the grass opposite the lighthouse in mouille point.
