General Report Comments: Upon arrival I met the Securty gaurd on duty named Thembala Cwasi with Psira no 2636504. I introduced myself and stated my reason for being there. He told me that he just started working there two days ago. There is no paper work pertaining to the dog at site.

I observed the male German Shepherd dog named Tiger . He is in fair condition with access to adequate water and a clean living environment, however does not have a kennel in the enclosure.

I issued a warning for the following:

1. To provide a kennel within 7days.
2. To ensure all the PAPA license and the dog's medical history is on site with 72hrs.
