General Report Comments: Upon arrival I met the Securty gaurd on duty named Thembala Cwasi with Psira no 2636504.

He told me that he passed the warning to both Mr Erasmus and and Renier, however, they have not complied. No action has been taken. Furthermore her showed me that the dog named tiger is now developing a skin condition at the base of its tail and has diarrhea.

I have discussed the case with Supervisor Jason. He will send a warning for Veterinary treatment via email. Then he will also make an appointment with Fedility Security and Renier so to address all the concerns.
