CHECKLISTS

General Report Comments: I spoke to 2 vagrants living behind the squash courts behind the park. I was told that the homeless couple with a black and white pitbull dog (which they confirmed was limping) "caught onto trouble" and got banned from the park. Apparently they went to Wynberg but didn't say where they were going and they don't have a phone. Another vagrant said that if he sees them next Tuesday (if they go to a place for recycling) that he will tell them the SPCA wants to help. A final follow up can be conducted.
