General Report Comments: Upon our arrival, Magdalena called Norman, the owner. He explained he emailed proof of treatment from St Francis Vet Clinic to Inspectorate. He resent it to me. She was treated with Nexgard and he is buying shampoo and powder next week as well. We discussed possibly getting her sterilised as she is actually 4 years old. Will discuss with Supervisors. We also asked them to consider signing the puppies over. We did not issue anything in writing but must still follow up the week after next.

ACTIONS

OTHER Discuss possible treatment for sterilization with Rudi.
