General Report Comments: Upon arrival accompanied by cadet M.alexander, after speaking with Michelle regarding monkeys follow up on amputation , Ms Williams advised that monkey was discharged and operation did not happen due to the vet saying the operation is no longer needed because he has use of leg. After following up with AACL where monkey was admitted and scheduled for the amputation operation , the information desk at AACL advised that operation was cancelled due to owners no been able to make payments and therefore discharged the cat.

Ms Williams was giving a warning notice stating that she should seek veterinary treatment within 24hours or may surrender her cat over to the spca.
