General Report Comments: Upon arrival I met with Michelle and Ian. They told me that they have not yet taken the cat to the vet as they waiting for some money. Michelle said she will take the cat to the vet around 2pm.

She also mentioned that AACL has failed her and her cat and lied to me about not paying her bill .
She said that she would send all the proof of the actual communication between herself and AACL .

The warning i issued has not yet expired. In the meantime the cat is on petcam for pain management.

A follow-up to be done tomorrow.
