General Report Comments: Upon arrival I met owner's neighbor who told me that the owner had taken the dog to the mobile and gotten treatment for the dogs skin which he has given, but that because he is not home she does not have proof to show me. I observed the dog in question who's lower back skin appears dry and bo longer irritated. The self made harness had been removed and the dog has been placed on a proper harness. The dog has access to adequate water, shelter and a clean living environment.
