General Report Comments: Upon arrival accompanied by LEO M.ALEXANDER. WE were given access by the owner Anne. Before we could see her dogs, she admitted that they have a skin condition of which she bought bravecto to teeat the condition. We put it to her its great that she bought bravecto , however she would still need to take them to the vet.

We observed the pitbulls on the premises and they all have skin condition . They have access to adequate shelter, water and a clean living environment with body scores of 3/5.

Micheal issued a notice to comply to provide adequate veterinary attention within 96hrs.
