General Report Comments: Upon inspection, Cadet Albertyn and I met with the owner. There were 2 dogs on the property. They had access to water and a clean living environment. They had access to adequate shelter. 1 dog appeared in a fair condition while the dog in question appeared to have a growth. The owner told us that he did take the dog to the mobile clinic but couldn't afford treatment so he brought the dog back home. He decided to surrender the dog for euthanasia.
