General Report Comments: Upon arrival accompanied by LEO M.ALEXANDER. We went to the main house on the farm and there was no one there. On our way out we ran into a farm worker named Mary. She said that the owner Nico Smutz of the cows doesn't live there and doesn't have his number. We did not see any animals in compromised conditions.

As we were making our way out of the farm a lady followed us in a white fortuner claiming that she is in charge of the animals on the farm. She identified herself as Barbara Van den Bergh. She told me that the whole farm land is their's and that the cows and horses have access to all the trees and water wholes on the farm and they are kraaled in winter.

There are no contraventions seen during our inspection.
