CHECKLISTS

General Report Comments: Upon my arrival, i met with Gerrie. The dogs were free roaming with access to water, a clean living environment and adequate shelter. The dogs appear to have a skin condition. She told me that they have not taken the dogs to a veterinarian yet and asked if I can give them time till Monday as that is the day that her daughter will get money. I decided to grant them the time that they requested.

I issued a final warning to provide the dogs with adequate veterinary treatment 7 days
