General Report Comments: Upon arrival I hooted and shouted at the property, but received no response. I then observed two dogs one of who appears to be under weight. They have access to adequate shelter and a fairly clean living environment. I could not see water as the bowls were too far away.

I then issued a NTC for the owner: Kindly contact the Cape of Good Hope SPCA within 20hours regarding the animal/s on your dog property and/or in your custody and/or under your control.
