CHECKLISTS

General Report Comments: Upon my arrival, i met with the owner named Jasmine. I observed 2 dogs at the back of the property. 1 dog was free roaming while the other dog was on a static chain. She told me that the dogs bite people so that is why they chain the dogs. The dogs didn't have access to water but the living environment was clean. There is only 1 kennel provided which is not big enough for both dogs. The dogs appeared in a fair condition.

I issued a final warning to:
(1)provide the dogs water at all times.
(2)provide the dogs adequate shelter within 7 days.
(3)place the dogs on running chains within 7 days
