CHECKLISTS

General Report Comments: Upon my arrival at the property I met with the owner of the property named miss adams, she allowed me access on to the property where I could do my inspection.

Upon my inspection I explained to the owner the concern and she informed me they don't own any animals, I walked through the entire property inside and out and observed no dogs, I can confirm there are no animals on the property.

I see no contraventions of the animals protection act 71 of 1962 therefore this case can now be closed.NFA
