General Report Comments: Upon inspection, i knocked on the front door but got no response. I observed the 2 dogs free roaming on the side of the house. I can't see water or shelter from where i was standing. Both dogs appeared in a fair condition. The neighbor came to me and told me that the dogs are not abandoned. He said that the onwers might be away but their son is looking after the dogs as he saw the car at the property last night.

I issued a warning to contact the SPCA within 20 hours as the dogs is suspected to be abandoned and stuck it to the door
