CHECKLISTS

General Report Comments: Upon my and cadet inspector Tariq arrival in the road(greenway road) I first went to the complainants house(ravens close) to see what house is behind her house, we then went to the house right behind hers and we were informed there are no dogs there, I then called the complainant who told me we should come to her house so that she can show me what property she is talking about.

Myself and cadet inspector Tariq went to the complainants house where she pointed out a specific house which is number 73 greenway road, we left the complainants house and went to number 73.

Upon arrival we spoke to the owner of the property named Mr Ismail who informed us that he no longer has dogs, Mr Ismail also informed us that he had a Pitbull which died 4months ago, I walked the entire property and did not see a dog or get any kind of urine or faeces smell.

I can confirm there are no dogs on this property.
I see no contraventions of the animals protection act 71 of 1962 therefore this case can now be closed.NFA
