General Report Comments: I responded to those Cade, before WT crashed. The concern was that the owners had moved and left the dog behind, and the neighbor was feeding the dog.

There was no response to my knocking and calling. I saw the dog on the property. The dog appeared to be in a fair condition.

I attached a 24-hour notice to the gate. The caretaker responded the same day and Inspector Mfini went to the property to do the inspection.

I see there is a note on the system about cleaning/removing items off the property. I will follow-up with Inspector Mfini, when to follow-up on this case. Inspector Mfini is currently on leave.
