CHECKLISTS

General Report Comments: Upon my arrival, i hooted and called out but got no response. I didn't see the dead puppy on the property anymore. The 2 adult and another puppy was free roaming inside the property. They had access to food, water, a fairly clean living environment and adequate shelter. I saw that there is another adult dog on the side of the house but can't see the living conditions.

I issued a warning to contact the SPCA within 12 hours as the animals are suspected to be abandoned and stuck it to the gate
