General Report Comments: On inspection no one was home and I saw two Rottweilers that appeared ti be in fair condition water was seen and a car port area for shelter.
The neighbor from number 37 came out and gave me the details of the owner named Chandre .
I spoke to Chandre and she said she works night shift most of the time and her husband works for saps and is in the EC.
She did add that her neighbors from 33 is feeding the dogs and is responsible for taking care of the dogs while she and her husband is not available.

I think we have to come a do a check again sometime in the week because the neighbor at number 37 said that no one feeds the dogs and she must always feed them over the wall and give then water.
