STATES UNDER OATH IN ENGLISH:

That on the 1 February 2024, I saw a trailer with 4 baby calves standing in the sun at the garage. I passed here around 12 the afternoon and asked who's it was and to please take them out of the sun. The guy sitting under the tree said he will move them but they were still in the sun wet with sweat and that was at 3h30 the afternoon. I got out of my car and took pictures and addressed the man that told me he knows about animals and they go to the farm. I insisted that he move them and after I took pictures he send someone to move them and I waited 20 min before he gave them water. The trailer was slippery and wet and I had no hay at the bottom. The bottom is iron and was extremely hot. The trailer was unhooked and they were slipping around and falling on each other. On the corner of Logat and Chestnut Way.
