| E-mail: Information@onsystem.com                   |                                                       |
| Middle AVI manager/s:                              |                                                       |
| Tel Number/s:                                      | Cell number/s:                                        |
| E-mail/s:                                          |                                                       |

### 2. INITIAL OBSERVATIONS

|                                                                 | Yes / No | Comments |
|-----------------------------------------------------------------|----------|----------|
| 2.1 Are AVI personnel available at all times?                   | Yes      |          |
| 2.2 Are personnel familiar with the disaster plans for animals? | Yes      |          |

### 3 ANIMAL AREA

|                                                                                                            |     |  |
|------------------------------------------------------------------------------------------------------------|-----|--|
| 3.1 Are live animal shipments placed within the designated area?                                           | Yes |  |
| 3.2 Is the area kept clean and hygienic?                                                                   | Yes |  |
| 3.3 Are bird shipments placed on shelving?                                                                 | Yes |  |
| 3.4 Are the animal crates turned away from warehouse activities?                                           | Yes |  |
| 3.5 Are the animal crates placed in such a manner to ensure that 'natural enemies' do not face each other? | Yes |  |

### 4. HANDLING

|                                                                                                                       |         |                                       |
|-----------------------------------------------------------------------------------------------------------------------|---------|---------------------------------------|
| 4.1 Does staff handle animal shipments with care and consideration?                                                   | Yes     |                                       |
| 4.2 Does staff appear to be adequately trained?                                                                       | Yes     |                                       |
| 4.3 Are animal shipments booked in at appropriate time to avoid unnecessary long waiting hours?                       | Yes     |                                       |
| 4.4 Was any animal shipment accepted that was not IATA compliant?                                                     | Yes *** | The crates were not affording any ... |
| 4.5 Does staff act appropriately when sick or injured animals are present?                                            | Yes     |                                       |
| 4.6 Does staff act appropriately when an animal shipment is delayed for whatever reason? (including overnight delays) | Yes     |                                       |

|                         |   |   |    |
|-------------------------|---|---|----|
| Any shipments inspected | * | 2 | No |

Photos taken: Yes Warning Issued: Yes Warning Number: 13577

Comments and action taken by Inspector:

8 crates containing birds didn't have any means of potable water. WFS advised that Airlink accepted these crates in Upington where they came from.

I spoke to a Mr. George Scheepers from the Airlink Branch in Upington. He advised that the person that brought the crates lives far away from Upington and he didn't want to send him back to put containers in. I advised that this is not acceptable and issued him with a warning. Airlink in Cape Town signed for the warning and said they will forward it to Mr. Scheepers.
