Good

List of Animals - ALL DETAILS MUST BE COMPLETED PER ANIMAL

|   | Name | Breed  | Sex  | Age     | Sterilised?                         | Acquired | Owner | ID of Pet |
|---|------|--------|------|---------|-------------------------------------|----------|-------|-----------|
| 1 | Tobi | X bred | Male | 7 years | <input checked="" type="checkbox"/> |          |       |           |
| 2 |      |        |      |         |                                     |          |       |           |
| 3 |      |        |      |         |                                     |          |       |           |
| 3 |      |        |      |         |                                     |          |       |           |
| 4 |      |        |      |         |                                     |          |       |           |
| 5 |      |        |      |         |                                     |          |       |           |

Comments

Upon my arrival I met with Emeraan Ryland. He told me that the dog on the property belong to him. The dog was free roaming on the property. The dog had access to water and a clean living environment. The dog had access to adequate shelter. The dog appeared in good health and condition
