I am reporting an incident that occurred Thursday 7 March 2024 in the complex we reside at Ashwood Meadows regarding my sick cat. I wish to report my neighbour Anusha Maharaj residing at 12 Ashwood Meadows with malicious intent to cause harm to my pet. My cat was sitting in the morning sun in our driveway as he usually does and then wandered to our neighbour's porch which is closely connected to our driveway with no fencing in between. The neighbour saw our cat near her front door, and then proceeded to get the garden boy to catch and restrain our cat which is already injured from a cancerous tumour. The cat was found tied up in a basket placed directly behind a wheel of a truck at complex entrance. He stayed there the entire day without food, water and medication as incident occurred approx 9am and we found him at 3pm. This is not the first incident of her malicious behaviour towards the same cat as she is aware we are the owners - last year in Nov 2023, she hosed my sick cat with water who was wearing a cone collar. I fear for the safety of my cat as well as this person abusing her position within the body corporate recklessly using the SPCA for her own vendetta.
