STATES UNDER OATH IN ENGLISH

Today Thursday 14/03/24 Mr. Mauritz Rossouw came to the premises again - informing me that they are going to do work in the house etc, and build a wall where the sliding door is. He told me that our case will do nothing in court (I got an harassment order against Mr Rossouw). He and 2 other workers he brought was trying to put the leash on Olof (the dog) neck. They could not get it on, so I asked him why didn't the people from the animal shelter come as he said they would do. Then they proceeded to keep trying to catch the dog that was very scared by now. I kept telling Mr Rossouw

STATES UNDER OATH IN ENGLISH Report of incident

to phone the SPCA or similar people to give her a sedative or assist with getting her on the backie. Then I heard Olof crying that made my heart nearly stopped. They put a belt and a rope around her neck and Mr Rossouw lied with his full weight on her so she could not breath. Her tongue was hanging and was blue. By the time they put her on the backie she was not breathing. It was very very traumatic for me and my grandson (11) He gets seizures from all the stress on the promises I made a video clip of the incident
