Customer brought in their cat to Petworld Somerset for grooming 13 Feb 2024
 The cat also went for a vaccination at Dr Omar the same morning before grooming at Petworld

To my knowledge the cat left us in good health
 A week later on 19 Feb I was contacted by client stating they had been to Dr Omar that morning and that based on his assessment the cat had suffered a concussion
 The cat passed away of natural causes on the morning of 21 Feb 2024

This statement serves to confirm the series of events leading up to the cat's death

The owners allege that the concussion was caused by our groomers even though more than a week had passed before they sought medical help.

 Note: This was written by Basson Strauss on
 behalf of Edgar Hara

Ginger cat was brought in for grooming on 13 Feb 2023
 I washed the cat as I normally would. Everything
 was fine. Then I dried the cat. After that
 I did a light brushing as the cat did not
 have much hair.
 The cat was friendly as far as I remember
 After the grooming was done the cat was
 put back into his carrier
 The cat was collected by owner within
 an hour of being put in the carrier
